WELCOME BACK

Another school year is fast approaching. Because schools must provide age-appropriate security against intruders while school is in session, controlled access is provided to the student occupants of our buildings. Please make it a point to find out which doors in your child's building are open and at what times. We wish to make our buildings inviting while safeguarding the safety of our students. Also, if you would like information concerning the rental of any of our facilities, please consult the appropriate building principal.

EQUAL EMPLOYMENT OPPORTUNITY CLAUSE

Upper Sandusky EV Schools will provide equal opportunities for employment, retention and advancement of all people regardless of race, color, creed, national origin, citizenship status, political affiliation, age, sex or handicap.

COMPREHENSIVE CRISIS INTERVENTION

The Board of Education believes that the employees, and students of the District, as well as visitors, are entitled to function in a safe and drug-free school environment. In this regard, the Board has adopted policies related to conduct in the school setting as well as those that address various crisis situations. These policies are available for inspection by anyone having an interest in such matters by contacting Rhonda Caudill, Human Resources Director at 419-294-2306, ext. 101.

PROHIBITION AGAINST HARASSMENT, INTIMIDATION, BULLYING

Harassment, intimidation, or bullying behavior by any student/school personnel in the Upper Sandusky EV School District is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. "Harassment, intimidation, or bullying", in accordance with House Bill 276, means any intentional written, verbal, graphic or physical act including electronically transmitted acts i.e., Internet, cell phone, personal digital assistant (PDA), or wireless hand-held device, either overt or covert, by a student or group of students toward other students/school personnel with the intent to harass, intimidate, injure, threaten, ridicule, or humiliate. Such behaviors are prohibited on or immediately adjacent to school grounds, at any school-sponsored activity, on school provided transportation, or at any official school bus stop that a reasonable person under the circumstances should know will have the effect of:

- A. Causing mental or physical harm to the other student/school personnel including placing an individual in reasonable fear of physical harm and/or damaging of students' personal property; and,
- B. Being sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student/school personnel.

THREE YEAR ASBESTOS INSPECTION

UPPER SANDUSKY EXEMPTED VILLAGE SCHOOLS - AUGUST 22, 2006

The Upper Sandusky School Buildings have been inspected for asbestos containing building materials, with the following results:

All of the known asbestos containing materials have been inspected and found to be in good condition. No new asbestos containing materials were found, but the terrazzo floor, carpet mastic, ceramic tile grout, and some of the hard plaster are suspect materials. Before any of these materials are disturbed, they need to be tested.

All buildings within the district containing asbestos were found to be clean and in good repair. The next full re-inspection of our schools must be done no later than August 22, 2009.

TIER II UNDERGROUND STORAGE TANK FINAL EVALUATION

The Upper Sandusky School District just completed this summer what should be its final evaluation of our underground storage tanks at the bus garage. Until or unless the Environmental Protection Agency (EPA) or the Ohio EPA changes its regulations, we should be done with this evaluation for good, giving this project some long-awaited finality.

Mission Statement: The mission of the Upper Sandusky Schools is to provide a safe, child-centered and developmentally appropriate environment where learning is a positive, exciting, and dynamic lifelong process.

SCHOOL DELAYS AND CLOSINGS

School delays or cancellations are announced on the following radio and TV stations, which represent the best and quickest source of information:

WTOL-TV 11	WTVG-TV 13
WNWO TV-24	ONN
WYNT (Upper Sandusky) 95.5	WKXA (Findlay) 100.5
WXML (Upper Sandusky) 90.1	WKTN (Kenton) 95.3
WDIF-WMRN (Marion) 94.5	

Please do not call the school to check on school delays.

ATHLETIC DELAYS

When school is closed due to weather, evening sports contests are sometimes held if the weather conditions subside during the day. Therefore, decisions about evening events are usually made sometime after 1:00 p.m., and announcements are broadcast over the local television station at WRAM TV 22.

STUDENT ABSENCES

We request that parents call the school as soon as possible if they know a child is going to be absent from school on a given day. Early notification of student absences assists us with communications to teachers and facilitates to obtain make-up work and the like. Such notification helps us safeguard the best interests of children in terms of their welfare, safety, and education.

FOOD SERVICE INFORMATION

All meals served must meet nutritional standards established by the U.S. Department of Agriculture. Free and reduced-price lunch forms will be passed out the first day of school. All parents are asked to complete and return this form to the proper school within the first couple days so that we might better serve the needs of all concerned. Many of the students in grades 7-12 qualify for these lunches but fail to complete and return these forms. We cannot approve an application that is not complete. We ask that these forms be returned by every eligible student because failure to do so affects our eligibility for funding in other school program areas--especially our Title programs which serve the educational needs of many of our students.

Lunch Prices

Grade K – 5	\$1.75
Grades 6 – 8	\$1.85
Grades 9 – 12	\$2.00
Adult	\$2.75
Extra Milk	\$.40

IMMUNIZATION REQUIREMENTS

Children attending a day care, pre-school, or a head start center located in a school are required to have the following:

- Three doses of OPV or IPV
- One dose of measles, mumps, and rubella (MMR) vaccine
- Three or four doses of haemophilus b vaccine

The requirements for students in grades Kindergarten through 12th are as follows:

- All kindergarten students must have evidence of having received two doses of MMR vaccine. This requirement will be progressive.
- All kindergarten (only) students are required to have a fifth dose of DTaP/DTP/DT vaccine if the fourth dose

was administered prior to the fourth birthday.

- All kindergarten students are required to have a fourth dose of polio vaccine if the third dose was administered prior to the fourth birthday.
- All kindergarten students are required to have three doses of hepatitis B vaccine. This requirement will be progressive.
- All kindergarten students are required to have a varicella vaccine.

If your child needs any of the above shots, please schedule to have this done prior to the first day of school.

MEDICATIONS

Any medication sent to school must be accompanied by a school medication form which must be filled out and signed by the doctor and also by the parent. The medication container must be labeled by the pharmacist as to the directions given by the doctor, even if it is an over-the-counter medication. Students needing to carry inhalers or bee sting kits must have the form filled out by the doctor stating that the child needs to have it available at all times and is capable of administering it his/her self.

If this procedure is not followed, we will call you and you will have to come and give your child his/her medication. This is for your child's protection and for our assurance the medication is for your child.

Students needing an inhaler can carry them and use as directed when needed. A medication form, filled out by the doctor, needs to be on file in the school office. If you have any questions, please feel free to call your child's school office.

SMOKE FREE FACILITIES AND GROUNDS

In compliance with the law, Upper Sandusky E.V. Schools is a smoke-free facility. We ask that all district residents respect this fact while on school grounds and/or in, on or around school facilities/property.

South, Union & East Elementary News

UNION & SOUTH ELEMENTARY SCHOOLS' OPEN HOUSES

Union and South Elementary Schools are doing something different this year. We will be having our annual open houses **BEFORE** school starts!

Union Elementary Open House - Monday, August 25 from 7-8 p.m. It will begin promptly in the big gym with a welcome by the principals and Union Boosters. Then the classrooms will be open to visit.

South Elementary Open House - Tuesday, August 26 from 6:30-7:30 p.m. It will begin promptly in the gym with a welcome by the principal and South Parent Team. Then the classrooms will be open to visit.

At both buildings, parents, guardians and students will be encouraged to bring school supplies to put in the students' desks, meet the teacher, and explore the classroom. Also, many of those first day forms will be available. Parents can fill them out and turn them in to the teachers that night if they so desire.

We are hoping that we can help ease those "first day jitters" by giving everyone the opportunity to meet their teachers and see their classrooms before school starts. We are all looking forward to a great year!
